

### VW Camper Company & Greatworth Classics

#### **Important Deposit Information – 2019/2020:**

We always require a 10% deposit minimum to secure a sale. Upon receipt of cleared funds we will take the item off the market and refuse to let anyone else view or bid for the vehicle.

In the event of the buyer failing to complete the transaction the deposit is not refundable until such time as we complete a sale with another buyer.

At this point we may refund the deposit less our reasonable expenses. These may include additional advertising fees, interest and compensation for any decrease in value, due to the item having to go back on the market.

The above is adjunct to our normal Terms & Conditions and our Terms of Storage at Greatworth Park. (Available via the links on our websites in the footers.)
